

Nick Aldridge

Jr. Developer | Houston, TX

[GitHub Profile](#) | [LinkedIn](#) | naldridge1360@gmail.com

Summary: Air Force veteran seeking a career change following completion of the DigitalCrafts Web Developer bootcamp. Experience working in Python, SQL, HTML, CSS, and Javascript to create full-stack projects. Seeking a remote position as a Jr. Developer with room to grow.

Software Development Skills

- Debugging, JavaScript, Python, Node.js, Express, RESTful API, PostgreSQL, HTML, CSS
-

Education

DigitalCrafts | Certificate in Web Development | Houston, TX

May – Aug 2021

Lonestar College | General Education | Cypress, TX

Aug 2017 – Jun 2018

Software Development Portfolio

Git2Traveling | [git2traveling](#) | github.com/naldridge/Git2Traveling

Jul 2021

- Member of a 3-person development team tasked with creating a full-stack application travel itinerary planner
- User experience allows for the ability to outline and save a trip with a daily itinerary for planning purposes
- Utilized custom UI to serve PostgreSQL data displaying newly-learned concepts in Node.js and Express

Rexcue | [rexcue.netlify.app](#) | github.com/naldridge/Rexcue

Jun 2021

- Member of a 3-person development team building a dog adoption rescue finder
- Primary responsibility included crafting a custom “Personality Quiz” to match users with dog personalities to emphasize diverse breed personalities, along with displaying PetFinder API results for local rescue animals
- Focused on JS functionality to deliver a front-end product; formed API calls to ensure relevant presentation to user

Pokemon Python | github.com/naldridge/pokemon_python_version

May 2021

- Member of a 3-person development team that created a gym-battle rpg set in the classic Pokemon setting
 - Outlined the gameplay story, wrote the user-navigation and dialogue, deconflicted choices to allow for repeat playthroughs without confusing options
 - Entirely developed in Python, the focus was on learning the code-basics and language requirements, while also introducing team dynamics and shared workload
-

Professional Work Experience

Creative Employment Solutions | Material Coordinator | Houston, TX

Nov 2018 – Apr 2021

- Contractor, Assigned to Fann Instrument Co.
- Coordinated multi-mil \$ inventory through SAP tools, identified best-practices; forklift certified
- Performed Shipping and Receiving duties to assist global logistical track for oilfield equipment and tools

USAF | Sr. All-Source Intelligence Analyst | RAF Mildenhall, UK, Ft. Meade, MD

Aug 2007 – Aug 2017

- Developed and presented target analysis products to NSA/USCYBERCOM leadership as a member of a 64-member National Mission Team
- Collaborated with partners to combine cyber assessments into advanced analytical products
- Managed 14-member intelligence analysis team; coordinated military responsibilities of junior Airmen, civilian authorities, and overall mission effectiveness
- Disseminated 760+ reports detailing adversary networks, HVIs, and current intel collection priorities
- Supported 3 CENTCOM campaigns; enabled forward-deploying troops through threat briefings
- Aircrew member aboard MQ-1 and MQ-9 aircraft for Launch and Recovery Element, Kandahar Airfield, Afghanistan; advised aircrew of ground threats, mission analysis, and force protection threat reporting
